STATION HOMEPAGE

Home / Station

The Station Awards for Excellence in Broadcasting is sponsored annually by the Kansas Association of Broadcasters to recognize outstanding achievement by Kansas radio and television broadcasters. This competition was established to encourage the highest standards of reporting, community service and production creativity. It brings the ultimate prize...peer recognition to members of the broadcast industry in Kansas.

General Rules

Eligibility: The KAB Awards for Excellence in Broadcasting is open to KAB Member Stations whose dues are paid in

For entries needing supplemental information, you may upload pdf, jpg, png, or gif files into the "Upload Attachment(s)."

IMPORTANT: To ensure server space for all states, RockOurAwards.com requires audio and video entries to be linked from YouTube, Vimeo, other video hosting sites, or a station website. Simply copy/paste the videos URL in the "Add Link" section. Please make sure entries are NOT set to private.

ESPECIALLY IMPORTANT: Special characters should be avoided in file names. Stick with letters, numbers, dots, dashes and underscores.

To add multiple people in the credits, click the yellow plus sign. To credit a team (EX: "XXXX News Team"), please enter the credit into the First Name box. List all credits as you want printed on a plaque. Please leave the **"Position"** box blank, as we will not list nor print the positions with the credits.

After a successful entry, you'll be notified with a green box indicating your entry was accepted. You can edit your entries (as long as the KAB entry window is open) by navigating to the orange "View My Entries" button.
